URBAN

ROAD PRESENCE REDEFINED

Since its inception in 2013, Urban has always followed its mantra of redefining road presence for each and every vehicle we create. Our signature 'OEM+' design language and quality of finish that is second to none have ensured that we have developed a growing clientele of the most discerning automotive customers across the globe.

URBAN DEFENDER,
THE ICON MADE YOURS

Already firmly established as an icon in it's own right, our modifications to the New Defender provide our customers with the opportunity to refine the look of their vehicle even further and also bring practical enhancements to allow ultimate flexibility and practicality. The Urban Defender has quickly established itself as the 'go to' SUV for those wanting to combine go-anywhere ability with the trademark Urban attitude. It's easy to see why it has become our most popular vehicle.
